

**Grappling with Reality,
Wrestling with Doubt, and
Celebrating Easter!**

**Five things that we must do
during periods of Doubt and
Depression:**

**1. We must remember
Jesus' words and promises.**

**2. We must pursue the
facts.**

**3. We must abandon our
misguided dreams.**

**4. We must open and
read our Bibles!**

**5. We must be willing to
let God open our eyes
and our minds.**
