Drop-off / Pick-up You may use the sanctuary or lower entrances, but **please ensure that your children come upstairs and sign in at the registration table before going to the gym or their classroom.**

Security: **For security and safety reasons, we would like you to accompany your children in the building to sign them in with the secretary AND accompany them out of the building to your vehicle.** Children must not be unattended in the parking lot. If children walk to Awana, they must be accompanied by a parent/guardian as well. Children will only be released to a parent/guardian or person(s) authorized to pick them up from Awana.

Safety: Children should remain in the gym/lower commons area or sanctuary before club and in the gym/commons area after club meeting times. For safety reasons, children must not wander or run around in the church.

Behavior: We want our club meetings to be safe, enjoyable, and educational for all our members and staff. Disruptive, disrespectful, or unsafe behavior will not be tolerated. Children may receive 2 warnings for inappropriate behavior. Upon the 3rd incident, the child's behavior will be discussed with the parent or guardian and may result in suspension from club meetings until the child agrees to abide by the rules and guidelines. We have had mostly excellent behavior from our clubbers in past years, and we expect the same this year!

Thank you for your participation and support of our club!
