

The SonShine Scoop

Ms. Chrissy & Ms. Jamie February 25, 26 & 27

Theme: Food

Literacy

We introduced the letter R. We used white boards to review writing letters. The children used spatulas to flip "pancakes." Then they matched the letters on the other side. We made a classroom book called *I Like to Eat...*

Math

We stamped numbers into play dough. We picked a number and then fed a dragon that many tacos. We strung fruit beads onto strings.

Science

We cut out food items from grocery flyers and glued them to a plate. We made pancake batter and cooked pancakes. We made tacos using play dough for a shell and added paper lettuce, meat and cheese.

Art

The children painted using kitchen utensils such as spatulas, forks, and potato mashers. We made a taco and ice cream cones.

Books Read: *Pancakes, Pancakes!*, *Dragons Love Tacos*, *Eating the Alphabet*
