

The SonShine Scoop

Ms. Chrissy & Ms. Jamie March 10 & 11

Theme: Spring

Literacy

We practiced writing letter A. We wrote in trays of shaving cream.

Math

We used pattern blocks to make flowers. We counted out the correct number of worms and put them on a mat.

Science

We made a paper flower and talked about how a seed grows into a plant. We learned that plants need soil, sun, air and water to grow. We planted grass seed into cups and are excited to watch it grow!

Art

The children used silk flowers to paint a picture. We made an alligator using the letter A. The alligators are hanging on our clipboards.

Books Read: *Rain, Wind, Seed to Plant, Planting a Rainbow*

Bible Stories: *Mary and Martha Visit Jesus, The Sheep and Coin are Found*

Sensory Bin: Pom Poms

Next Special Star: Caeden

Next Letter of the Week: M

Next Week's Theme: Spring:
Rainbows and Rain
