Why High Point Christian School?

High Point Christian School has a distinct mission. It is an awesome privilege and responsibility to teach our students all subjects as part of the total revealed truth of God. Colossians 2:3 declares that "In Christ are hidden all the treasures of wisdom and knowledge."

Together we can make a difference in each of the students at HPCS as we strive for excellence and to glorify God in all that we do. Our vision is that HPCS students will be recognized for their high level of academic achievement, strong moral character and life-changing personal faith in Jesus Christ. We would love to share with your family about our vision for how HPCS can be an extension of your home.
