

**FOR YOUR CONSIDERATION**  
***Soul Satisfaction - Psalm 63:1-8***

1. Is there anything specific from this message that the Lord has impressed upon your heart?  
If so, what is it & how do you feel the Lord calling you to respond?
2. Consider David's situation as he writes Psalm 63:1-8 (Israel's king running for his life from his murderous son, Absalom):  
How does his relationship with his God impact how he views the circumstances he's facing?  
As you look at these verses, do you feel you can relate to what King David shares from his heart to the Lord?  
If you find it hard to relate to David, how can you tangibly cultivate a deeper love for God in your life?  
How does prioritizing prayer and time in God's Word result in a deeper love for the Lord?
3. Below are the "Today's Takeaways" from the sermon. Do any of these encourage, convict, or challenge you, & if so, how?
